**Everyone should have
the chance to get up,
step out, and live fully.**

Josephine Wallis
Chief Executive
Geneva Healthcare

Gains@Geneva wants you and your family to live your best lives possible whatever your illness, injury or disability. We will be there to help you cope when life gets tough and arm you with the tools you can use to 'help yourself' so you can enjoy what you love doing, keep well, and stay connected to your family and community. After all, life is better when you share it.

A trusted name in the Hawkes Bay and Gisborne regions, our Clinical Psychology & Rehabilitation team works closely with the government, ACC, doctors, clinicians, NZ Police and the community to give you all the support you need so you can continue to enjoy your best life.

Let your Gains@Geneva family support you, because we care from the heart, we care like family.

Psychology & Allied Health Services

Hawkes Bay & Gisborne

We can support you with personalised Allied Health services to enable you to live at home, enjoy what your community has to offer and continue your employment whatever your illness, injury or disability. We provide rehabilitation services, from assessment to treatment and intervention.

We can support you with these services:

Social Rehabilitation Assessments

With a wide range of services to support your rehabilitation at home and in your community, our therapists can enable you to live everyday to the fullest.

- Integrated Rehabilitation
- Single Discipline
- Wheelchair and Seating
- Housing Modification (also available in the Auckland, Coromandel - Thames, Waikato & Bay of Plenty regions)

Training for Independence

Our therapists will work with you to help you reach your rehabilitation goals on your way to restoring your independence. We can support you with the

education, training and rehabilitation you need at home, in your community or workplace.

- Long term (>12 months)
