**Josephine Wallis**  
Chief Executive  
Geneva Healthcare

Trusted by thousands of kiwis nationwide since 1996, we are a locally owned global organisation working closely with ACC, Ministry of Health, DHBs, GPs and the healthcare industry to support those who are in need due to disability, injury, illness or age.

We offer real career opportunities, competitive rates, free training with an option to earn while you learn, and the flexibility of permanent, part time or casual work.

**Join Geneva Healthcare and live your best career!**

## ***We're looking for:***

### **Homecare Support Workers**

Support people's recovery in their own homes. Provide home help and personal cares. Benefit from free training towards a qualification in Healthcare.

### **Community Support Workers**

Provide care for people with mental or physical disabilities, high complex needs or ongoing health conditions.

### **Caregivers – Aged Care Residential**

Enjoy flexible morning, afternoon or night shift options while helping the elderly.

### **Healthcare Assistants**

Work with a variety of patients in public or private hospitals. Provide general care for the patients, as well as domestic tasks (basic hygiene, making beds, and serving meals).

### **Psychiatric Assistants**

Assist physicians or registered nurses in caring for people with acute mental health illness.

### **Registered Nurses**

Work in public and private hospitals, aged care, mental health facilities, or in the community. Enjoy specialised training and financial support towards your professional registration and other portfolio requirements.

### **Registered Midwives**

Work in both the public and private sectors.

### **Allied Health Professionals**

Add value to patient care. Permanent NZ and overseas positions (public and private).

### **Clinical Psychology**

Support clients with mental and/or physical injuries. Assist client's recovery from assessment to treatment.

## ***Develop your career with us***

### **Skills for Industry Training**

Courses to help you back into the workforce. Get into a 5 week pre-employment training - Introduction to Caregiving (includes work experience and placement into work).

**0508 353 828**  
[enquiries@genevaelevator.co.nz](mailto:enquiries@genevaelevator.co.nz)

### **Online Training (Geneva Health Institute of Learning)**

Learn while you earn! At Geneva Healthcare you can complete your training & get your Healthcare qualification for free as part of your employment. Take further professional development courses at your own pace anytime, anywhere. With all the tools you need online, getting qualified has never been more accessible and easier.

**0800 436 382**  
[training@genevahealth.com](mailto:training@genevahealth.com)

### **Healthcare Student Work Opportunities**

Earn while you learn! Get work experience while completing your healthcare studies, and get some casual work in:

- Community Residential Care
- Home Support
- Healthcare Assistants (Hospital)

Enjoy competitive rates and flexibility of shift work around your study / semester breaks, while making a real difference in your community.
