**Everyone should have
the chance to get up,
step out, and live fully.**

Josephine Wallis
Chief Executive
Geneva Healthcare

Geneva Healthcare wants you to live your best life possible whatever your age, disability, illness or injury. We will be there so you can enjoy what you love doing, keep well, and stay connected to your family and community. After all, life is better when you share it.

Trusted by thousands of kiwis nationwide since 1996, we are a locally owned global organisation working closely with the Ministry of Health, DHBs, GPs, the healthcare industry, and as a national lead provider for ACC, to give you all the support that you need at home and in your community. We also provide you with Nursing Services, Rehabilitation, and assistance to help manage your disability and health concerns. So you can continue to enjoy your best life.

Let your Geneva Healthcare family support you, because we care from the heart, we care like family.

Home and Community Support Services

Live well and continue to enjoy living independently in your own home with personalised care and support from our Nurse or Support Worker who has been selected especially for you.

We can support you with these services:

- Personal Care, Home Help, Companionship
- Respite Care/Carer Support
- Aged & Dementia Care
- Palliative Care
- Disability Support & Rehabilitation
- Chronic Long Term Support
- Post Surgical & Post Accident Care
- Spinal & Brain Injury Care
- Maternity & Child Care
- Care for Medically Fragile Children
- Private or Government Funded (ACC, DHB, Ministry of Health)

Community Nursing Services

Get better faster and easier in the comfort of your own home, or get the support you need to help you stay well. We'll work with your primary care team to provide you with your personalised care plan and follow up programme.

We can support you with these services:

- Community Nursing Assessments
- Health Status Assessments including Blood Pressure and Diabetes Management
- Complex Case Management
- Wound Care: Simple, Acute, Chronic & Complex Management
- Medication Management
- IV Therapy
- Health Education & Prevention Management
- Post Operation Recovery including assistance with domestic tasks
- Respite Services
- Catheter Care
- Palliative Care
- Public or Private funding
