

***Everyone should have
the chance to get up,
step out, and live fully.***

Josephine Wallis
Chief Executive
Geneva Healthcare

Geneva Healthcare wants you to live your best life possible whatever your age, disability, illness or injury. We will be there so you can enjoy what you love doing, keep well, and stay connected to your family and community. After all, life is better when you share it.

Trusted by thousands of kiwis nationwide since 1996, we are a locally owned global organisation working closely with the Ministry of Health, DHBs, GPs, the healthcare industry, and as a national lead provider for ACC, to give you all the support that you need at home and in your community. We also provide you with Nursing Services, Rehabilitation, and assistance to help manage your disability and health concerns. So you can continue to enjoy your best life.

Let your Geneva Healthcare family support you, because we care from the heart, we care like family.

Let your Geneva Healthcare family support you.

Call us for advice or talk to your GP, healthcare professional, NASC, ACC Coordinator, or your Teacher/Transition Provider, for a referral.

Supported Employment and Rehabilitation

Get the support you need to find a job or continue with the job that you enjoy. Whatever your disability, injury or health concern, Geneva Elevator can support you with rehabilitation, skills training, and job placement so you can live independently, and enjoy living in your community.

Geneva Elevator can support you with these services:

Rehabilitation Services

Rehabilitation therapies to help you with your recovery from injury and manage your disability.

- In a group or individually
- Physiotherapy – Musculoskeletal, Respiratory & Neurological
- Occupational, Mobility & Sport Therapy
- Art Therapies: Art, Dance, Music & Drama

Skills for Industry Training

Courses to help you back into the workforce. You can get into a five week pre-employment training - Introduction to Caregiving (includes work experience and placement into work).

Supported Employment Services

A free service that matches potential jobs to your talents, qualifications and needs.

- Free job placement service to both employers and clients
- Job search & job club
- Employer networking & engagement
- On the job support & training
- Disability awareness training for employers
- Sign language interpreters (if required)
- Mental Health Employment Services
- Deaf Support Services

Very High Needs (VHN) Support & Transition Services

If you're a school leaver or age 16 - 21 years with a health condition or Very High Needs + ORS funded, we can help you to continue your studies, find a job or work experience, and participate in community activities you enjoy.

- Tailored support for individuals
- Group programme with community participation
- Work life programme for the Deaf or Hearing Impaired
- Rehabilitation: Physical, Occupational, Drama & Art Therapy
- Transitioning school leavers into training, tertiary studies, work experience or paid work

Community Living and Disability Services
