Dr Samantha Wettasinghe

MBChB (Otago) DipOMG FRANZCOG

Gynaecologist/Obstetrician

Dr Sam leads a multidisciplinary Womens health team and ensures all aspect of health are optimised for her patients. She assists clients to understand their conditions and provides a wide array of the latest treatment options. She has a special interest in minimal access surgery, pelvic pain, dyspareunia, vaginal laser, menstrual disorders, Obesity and Urodynamics for diagnosis in female incontinence. Having completed her specialist training with a focus on laparoscopy, she then worked in Tauranga Hospital and completed 2 years of pain studies through Otago University. Dr Sam is Director of Adelpha Care in Bethlehem and also works in Whakatane hospital.

Dr Sam offers a number of day procedures at Adelpha Care including hysteroscopy, colposcopy, Iletz, miscarriage management and Mona Lisa Touch Laser. Adelpha Care is a specialist Women's Health centre, with pelvic physio, a dietician, weight management and other key allied health providers. It is based on both innovation and stylish comfort for a better client experience.

Dr Sam performs major surgeries at Grace Hospital including pelvic floor repair, laparoscopy, myomectomy, myosure and laparoscopic hysterectomy.

Expert Diagnosis and Treatment

SKIN is a small and specialised team, dedicated to providing the highest level of expert care in a warm and caring environment. As the only skin institute in New Zealand offering Dermatopathology, SKIN is in the unique position to offer you continuity of care from the earliest stages of screening, through clinical diagnosis and all levels of treatment and surgery. This gives you the best possible chance of accurate diagnosis as well as the reassurance of dealing with the same team through all stages of care.

SKIN is headed by Dr Ben Tallon, a highly respected specialist Dermatologist and Dermatopathologist. The only practising Dermatopathologist in New Zealand with International Board qualifications.

Treatment for Common Skin Conditions

• Acne • Eczema • Psoriasis • Skin rash • Pigmentation • Mole removal • Warts
• Hair & nail disease • Allergy testing

Skin Cancer Diagnosis & Treatment

• Skin check • Skin cancer treatment • Skin cancer surgery
