Dynes McConnell Gynaecologist

Dynes is an experienced New Zealand trained Gynaecologist. Dynes works closely with a team of high-caliber allied health professionals including a Women's health physiotherapist for pelvic floor and prolapse issues, a Women's health clinical psychologist for sexuality and relationship issues, and nutritionists. His main consulting rooms are in the Wellington CBD, Hutt Valley, and he also runs frequent satellite clinics on the Kapiti Coast.

Credentials:
MBChB 1984 (Otago, NZ), Diploma Obstetrics 1986, Diploma Child Health 1988 (Otago, NZ), FRCOG, FRANZCOG, Subspecialist CCST in Gynaecological Oncology 1998 (UK), MD 1998 (Aberdeen, UK)

Services:

Dynes provides all gynaecology services, but has developed a significant experience and skills base in the following areas:

- Laparoscopic surgery
 - o Hysterectomy
 - o Excision of endometriosis and management of the care continuum
- Pelvic mass surgery
- Cancer surgery – endometrial, ovarian, vulval, and cervical cancer
- Heavy menstrual blood loss surgery
 - o Endometrial ablation and single port hysterectomy
- Prolapse surgery
- Incontinence surgery

Dynes does not use mesh for prolapse repairs.
